**REQUEST FOR  
PROCEDURAL CONFERENCE**

Community Water Company of Green Valley ("CWCGV") through undersigned Counsel, hereby submits their Request for Procedural Conference in connection with this Docket. Specifically, CWCGV believes a Procedural Conference would be helpful to further explain its letter from Arturo R. Gabaldon submitted January 27, 2009. That letter explains the need to revise the terms in the financing CWCGV is seeking approval for in this Docket, and to modify its Amended Application to include consideration of those revised terms. CWCGV would like to have certainty as soon as possible as to how to proceed in a manner acceptable to both Staff and the Administrative Law Judge. Mr. Gabaldon's January 27, 2009 letter has been attached to this motion.

Accordingly, CWCGV respectfully requests that the Administrative Law Judge schedule a procedural conference to discuss the issues brought forth in the January 27, 2009 letter. Through March 13, 2009, undersigned Counsel is currently available except on March 10<sup>th</sup> and March 11<sup>th</sup> 2009.

Re: Docket No. W-02304A-08-0465 Application for Indebtedness

Dear Mr. Rogers:

Community Water Company of Green Valley ("CWCGV") recently realized that its amended application seeking financing authority in Docket No. W-02304A-08-0465 will not be sufficient to meet its needs going forward. While CWCGV still seeks authority to incur the same amount of indebtedness - \$2,810,000 - it needs to adjust the terms of the financing. Specifically, CWCGV needs to change the terms of the indebtedness from a one-year revolving line of credit ("LOC") to a 5-year term loan with a 20-year amortization and a 5-year balloon payment. The purpose of my letter is to request a modification to CWCGV's amended application - to incorporate these revised terms - in seeking Arizona Corporation Commission approval for CWCGV to incur \$2.810 million in indebtedness. I explain in further detail below the reasons for the modifications CWCGV is requesting.

At the time CWCGV amended its original application in October 2008, there was substantial uncertainty in the financial markets. We were advised at that time not to lock in a long-term fixed loan. Therefore, CWCGV's amended application requested approval for a one-year non-revolving line of credit. CWCGV later realized that a one-year time period will not be sufficient for CWCGV to continue to allow it to address capital needs while maintaining its ability to fund operations. So, CWCGV would have to refinance the \$2.810 million, and also file a subsequent application for Commission approval to refinance the entire \$2.810 million, and achieve both before the end of 2009. This would put CWCGV in the precarious position of trying to secure longer-term financing and get regulatory approval before November 2009, which is when its current financing through Chase Bank will expire.

Further, CWCGV has successfully negotiated a term loan agreement with Chase Bank for the \$2,810,000. The new terms are for a five-year balloon payment, fixed principal repayment based on a 20-year amortization and a variable interest rate to be based on the CB Floating Rate plus 100 basis points with a 30 LIBOR plus 250 basis points floor. The attached documents from Chase Bank describe the term-loan agreement in further detail. CWCGV believes these terms are more favorable than a one-year non-revolving LOC (which it would need to refinance almost immediately). It is vital for CWCGV to have longer-term financing in place, in order for it to continue its operations beyond November 2009. CWCGV believes it is in the public interest for it to modify the terms of its financing request from its amended application in Docket No W-02304A-08-0465, and to now seek Commission approval with

those modified terms. CWCGV is not changing the stated intent for the financing (to refinance \$2.5 million in indebtedness and an additional \$310,000 in capital improvements).

We appreciate the opportunity to discuss CWCGV's situation with Staff and to request modifying the terms of the financing request – from a one-year revolving LOC to a term loan agreement for \$2.810 million. Please let us know if there is any further information you need from CWCGV, or if you have any further questions. We look forward to hearing from you.

Sincerely,

Community Water Company of Green Valley
